

## 2018 Master Gardener Program Application

The purpose of the Master Gardener program is to train citizens as horticultural-educated volunteers of The University of Tennessee Extension and the Tennessee State Cooperative Extension Program. Volunteers work in partnership with their counties to expand the educational outreach by providing home gardeners with researched-based information.

These volunteers, known as Extension Master Gardeners, support UT Extension by...

- providing plant clinics
- answering phone requests for horticultural information
- establishing and maintaining demonstration gardens
- working with the handicapped, youth, the elderly, and other special groups in the community
- designing and implementing community involvement projects
- coordinating local Master Gardener training programs

**There will only be ONE CLASS offered which will meet on Monday afternoons from 1:00 to 4:00 at the UT Plateau Research & Education Center.** Classes will begin March 26 and run through June (schedule included).
